January 2008

From the Club President – Jim McGaha

The New Year has arrived and there will be a change in the management of our club. Drew will no longer be the club manager and he will be missed. I would like to thank him and his staff for a great job and wish Drew all the best in his future endeavors. The Board of Directors after much deliberation over a number of candidates to fill the managers position has entered into a contract with Ron Sansom for 2008. Ron is a longtime member of PCC and has served on the Board as President in previous years. The Board believes Ron will maintain the atmosphere around the clubhouse that Drew established last year. I would like to welcome Ron and wish him all the success in the upcoming year.

I would like to address a rumor that is being spread about an assessment for installing new cart paths. The Board has no plans to assess the members for new cart paths. The Grounds crew will be repairing areas of the cart paths that are in bad shape. The cart path situation will be discussed further at the annual meeting.

We have been pumping out of the lake on #1 to the lake on #13 around the clock seven days a week for about six weeks and it

has raised the lake substantially. The pump will be shut off next week and we think Mother Nature will take care of filling it the rest of the way. Jeff and his crew are cleaning up fallen trees from last years storm along with other projects to improve our course.

The initiation fee is still being waived at this time so if you know of anyone thinking about joining PCC now is the time. The course is in great shape and will only get better.

I know everyone has been busy during the Holiday season and golf is not on your mind but don't forget about sending in your membership dues.

I hope everyone had a Happy New Year and I am looking forward to another successful year at PCC.

Thanks,
Jim

Upcoming Events:

Fri., Mar 14

Northern Ky. Univ. Inv. 10 A.M.

Sat., Mar 15

Northern Ky. Univ. Inv. 10 A.M.

January 11, 2007

It is with sincere sadness that I must resign as your "Club Manager" at Pendleton Country Club. I have been offered a once in a lifetime opportunity to become a Vice- President with a billion dollar organization in Orlando, Florida. I will be working from my home, while also maintaining an office in Florida. There will be quite a bit of traveling involved but I plan on maintaining my PCC membership so I will still be around the club every now and then.

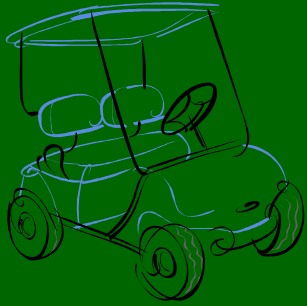

I will greatly miss our wonderful membership and the camaraderie that we have built over the last year. I will miss coming to this beautiful golf course every day, but most of all I will miss the fantastic organization that I have been a part of for these last few months. Our wonderful

employees have certainly helped make my job easier and I can't thank them enough for all of their hard work including Jeff and his crew.

Lastly, I want to thank Jim McGaha, who has been the backbone of the club and very often my other arm. Jim was always available when I needed him most and I couldn't have done it without his help. And finally, thanks to all of you board members for putting your trust in me to run the club effectively.

From the bottom of my heart, thanks to all! The opportunity you gave to me was an experience that I will never forget.

Drew
